

# BERKLEY | East

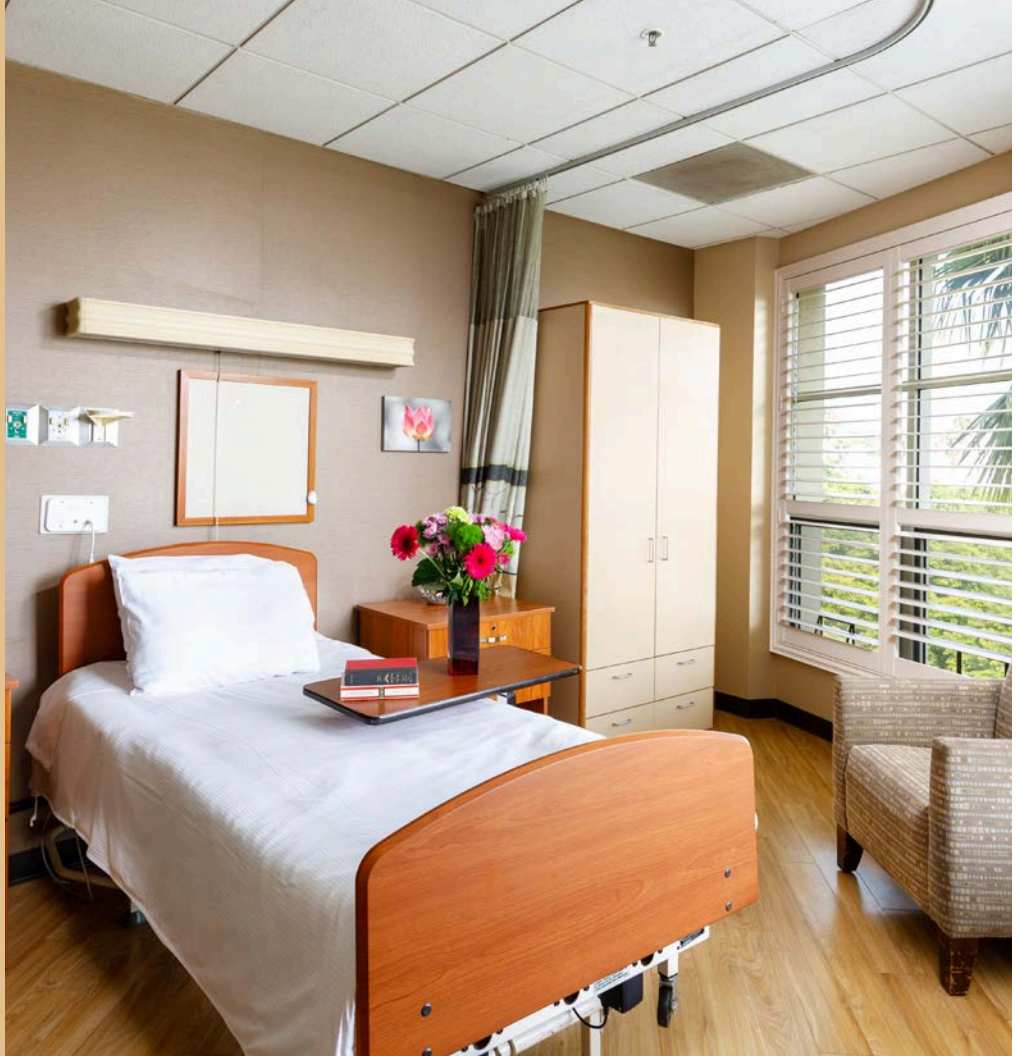

HEALTHCARE CENTER

# Live Well

---

Patient care is our priority. We offer private bathrooms, private shower access, and complimentary Wi-Fi, cable, and phone services in each room.

# Rehabilitation Therapy

---

We create a motivational and supportive environment to help restore every patient to his or her highest level of function and independence.

Our patients receive a detailed, individualized therapy plan.

- Physical therapy
- Occupational therapy
- Speech therapy
- Orthopedic rehabilitation  
(post-hip/knee replacements)
- Stroke rehabilitation
- Post-traumatic injury/brain injury rehabilitation
- Fall prevention program
- Activities of daily living training
- Balance and vestibular therapy

# Eat Well

---

The goal of our dietary team is to create an incredible dining experience. We offer nutritious home-cooked meals, a comfortable and spacious dining room, and an individualized meal plan developed by our registered dietitian. We also offer a variety of beverages and healthy snacks to our patients throughout the day.

## 24-Hour Nursing Services

Our nursing team provides the highest quality care with genuine concern for the needs of each patient. Helping patients feel more comfortable at our facility, we offer a wide range of services:

- IV therapy
- Dementia care
- Wound care
- Enteral feeding program
- Catheter care
- Colostomy care
- Off-site dialysis
- Ileostomy care
- Nutrition and hydration programs
- Medication management and education
- Restorative nursing
- Pain management
- Hospice program
- Bowel and bladder programs
- On-staff registered dietitian
- Laboratory testing and X-rays
- Transportation services (arranged through outside company)
- On-call doctors

# Enjoy Your Stay

---

We are proud to promote a patient's ability to thrive. In order to improve each patient's overall well-being, we provide the following:

- **Arts and crafts classes**
- **Entertainment/concerts**
- **Monthly outings**
- **Fun and interactive games**
- **Holiday celebrations**
- **Grand facility parties**

Additionally, we have a common room on every floor, along with a rooftop patio where we welcome visits from family and friends.

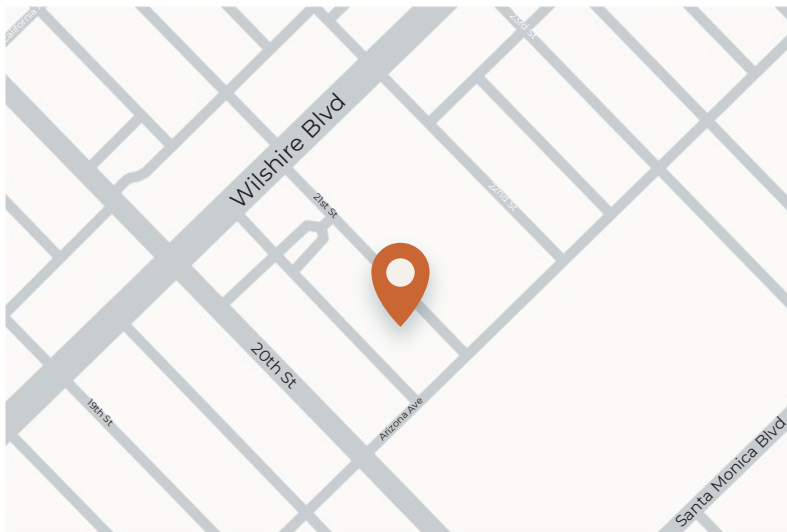

## Our Mission

---

At Berkley East Healthcare Center, we are committed to serving others, nurturing life, and promoting an individual's ability to thrive.
